

**TOWN OF WASHINGTON
ANNUAL TOWN MEETING RESULTS
MAY 10, 2017**

Article 1: To see if the town will vote to accept the following bylaw regarding Right to Farm to wit.

SECTION 12 RIGHT TO FARM

12.1 Purpose and Intent

The Town of Washington finds that farming is an essential and valued activity, which provides fresh food, clean-air, economic diversity, local employment, and open spaces to all the citizens of our town. This by-law is intended to encourage the pursuit of agriculture, promote agricultural-based economic and employment opportunities, and protect farmland within the Town of Washington. The purpose is to allow agricultural uses and related activities to function in harmony with the community, town agencies and others. This by-law shall apply to all jurisdictional areas with the Town.

This by-law re-states with emphasis the Right to Farm accorded to all citizens of the Commonwealth of Massachusetts as stated under the Constitution and General Laws and Regulations including but not limited to Article 97, of the Constitution, Massachusetts General Laws Chapter 40A, Section 3, Paragraph 1; (The Zoning Act) Chapter 90, Section 9, Chapter 111, Section 125A and Chapter 128 Section 1A.

12.2 Definitions

“Farm” shall include any parcel or contiguous parcels of and/or water bodies used for the primary purpose of commercial agriculture, or accessory thereto. **“Farm”** shall include any youth related agricultural activities, such as but not limited to 4-H, irrespective of minimum acreage or gross sales and program payment requirements. For the purposes of this by-law and without limiting the Right to Farm accorded to all citizens of the Commonwealth of Massachusetts under Article 97 of the Constitution and all applicable Massachusetts General Laws, the term **“farming”** or **“agriculture”** shall not include factory farming or industrial agricultural as defined below:

“Factory Farming” is a facility where large numbers of animals are raised in overcrowded and confined conditions, such as concentrated animal feeding operations or animal feeding operations.

“Industrial Agriculture” is a system of growing crops where a single crop is grown on hundreds or thousands of acres where heavy use of chemical fertilizers and pesticides is necessary for crop production.

“Farming” or **“agriculture”** shall include, but not be limited to the following:

- Farming in all its branches and the cultivation and tillage of the soil
- dairying;
- orchards

- production, cultivation, growing, and harvesting of any agricultural, aquaculture, floricultural, viticulture, or horticultural commodities;
- growing and harvesting of forest products upon forest land and any other forestry or lumbering operations;
- keeping of horses as a commercial enterprise; and
- keeping and raising of poultry, sheep, horses, goats, swine, cattle, ratites (such as emus, ostriches and rheas) and camelids (such as llamas and alpacas), and other domesticated animals for food and other agricultural purposes, such as bees and fish.

“**Farming**” shall encompass activities including, but not limited to, the following:

- operation and transportation of slow-moving farm equipment over roads within the Town;
- control of pests, including but not limited to, insects, weeds, predators and disease organism of plants and animals;
- application of manure, fertilizers and pesticides;
- conducting agriculture-related educational and farm-based recreational activities, including agro-tourism, provided that the activities are related to marketing the agricultural output or services of the farm;
- processing and packaging of the agricultural output of the farm and the operation of a farmer’s market or farm stand including signage thereto;
- maintenance, repair, or storage of seasonal equipment, or apparatus owned or leased by the farm owner or manager used expressly for the purpose of propagation, processing, management, or sale of the agricultural products;
- on-farm relocation of earth and the clearing of ground for farming operations;
- revitalizing drainage or irrigation ditches, picking stone, erecting, repairing or maintaining fences, and clearing, rejuvenation and maintaining pastures; and
- herding of livestock from area to area, including along roads.
- construction and use of structures and facilities for farming related storage, processing, and sale of products as permitted by local and state building codes and regulations; including construction and maintenance of fences.

12.3 Right to Farm Declaration

The Right to Farm is hereby recognized to exist within the Town of Washington. The above-described agricultural activities may occur on holidays, weekday, and weekends by night or day and shall include the attendant incidental noise, odors, dust, and flumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community, and society in general. The benefits and protections of this by-law are intended to apply exclusively to those agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. For any agricultural practice, in determining the reasonableness of the time, place, and methodology of such practice, consideration shall be given to both traditional customs and procedures as well as to new practices and innovations. Moreover, nothing in this Right to Farm By-law shall be deemed as acquiring any interest in land. The protections contained in this by-law do not replace any applicable zoning or legal restrictions associated with

agricultural operations. The residents of Washington declare that factory farming and industrial agriculture, as defined above, are not in accordance with the character of the community and are not supported by this bylaw.

12.4 Disclosure

The following notice shall be prominently posted on the town hall notice board and be made available for inspection and copying at the office of the Town Clerk.

“It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food, and other agricultural products, and also for its natural and ecological value. This notice is to inform buyers or occupants that the property they are about to buy or occupy lies within a town where farming activities occurs. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Buyers or occupants are also informed that the location of property within the Town of Washington may be affected by commercial agricultural operations”

12.5 Resolution of Complaints

Any person having a complaint about a farm activity or practice is encouraged to seek an amicable resolution to the complaint, including talking directly with the involved farmer. Such person may, notwithstanding pursuing any other available remedy, request resolution assistance from the Board of Selectmen. Such a request does not suspend the time within which to pursue any other available remedies. The Board of Selectmen may appoint a panel of (3) individuals, to include (1) member of the Board of Health, (1) member of the Planning Board or the building inspector, and (1) town resident representing the agricultural community, or refer such request to a Washington Agricultural Commission, should one exist. Said panel or Agricultural Commission shall review and facilitate the resolution of such a request and report its recommendations to the Board of Selectmen within the agreed upon time frame.

12.6 Severability Clause

If any part of this by-law for any reason is held to be unconstitutional or invalid, such decision shall not affect the remainder of this by-law. The Town of Washington hereby declares the provisions of this by-law to be severable.

Article 20: To see if the town will vote to accept the following bylaw regarding Departmental Revolving Funds to wit.

Section 11: DEPARTMENTAL REVOLVING FUNDS

11.1 Purpose

This by-law establishes and authorizes revolving funds for use by town, departments, boards, committees, agencies and officers in connection with the operation of programs or activities that generate fees, charges or other receipts to support all or some of the expenses of those programs or activities. These revolving funds are established under and governed by General Laws Chapter 44, § 53E½.

11.2 Expenditure Limitations

A department or agency head, board, committee or officer may incur liabilities against and spend monies from a revolving fund established and authorized by this by-law without appropriation subject to the following limitations:

- 11.2.1** Fringe benefits of full-time employees whose salaries or wages are paid from the fund shall also be paid from the fund.
- 11.2.2** No liability shall be incurred in excess of the available balance of the fund.
- 11.2.3** The total amount spent during a fiscal year shall not exceed the amount authorized by Annual Town Meeting on or before July 1 of that fiscal year, or any increased amount of that authorization that is later approved during that fiscal year by the Selectboard and Finance Committee.

11.3 Interest

Interest earned on monies credited to a revolving fund established by this by-law shall be credited to the general fund.

11.4 Procedures and Reports

Except as provided in General Laws Chapter 44, § 53E½ and this by-law, the laws, charter provisions, by-laws, rules, regulations, policies or procedures that govern the receipt and custody of town monies and the expenditure and payment of town funds shall apply to the use of a revolving fund established and authorized by this by-law. The Town Accountant shall include a statement on the collections credited to the fund, the encumbrances and expenditures charged to each fund and the balance available for expenditure in the regular report the Town Accountant provides the department, board, committee, agency or officer on appropriations made for its use.

11.5 Authorized Revolving Funds
