

22. Sandy provided the board with the amount received from the state which she thought may be for stumpage fees but since it was not clearly noted would require further investigation. Any bills that need to be paid from the EECBG grant will be clearly noted, the garage doors for the highway department won't be out of the EECBG funds but rather from the account set up at the annual Town Meeting for the installation of the garage doors.

23. It was noted that requests for payments to inspectors were received by the board for fees collected but that the board did not receive the fees.

25. Needs clarification

31. "Emmett Schmarsow" Kathy Stevens from Mass Highway Dept to discuss various items in regards to town roads.
